

## How to Reset a Non-CAC Account Password

- 1) Login to <https://partners.eucom.mil>
- 2) Click on the Password Reset tab on the Partners home page.

- 3) From the 'Password Reset' page the Partners Portal user will need to follow the instructions on the screen for a successful reset of their password.

- 4) Once the new password has been entered, the Partners Portal user will be informed that their password was changed successfully.
