

How to Reset a SIPR (CIE) Account Password

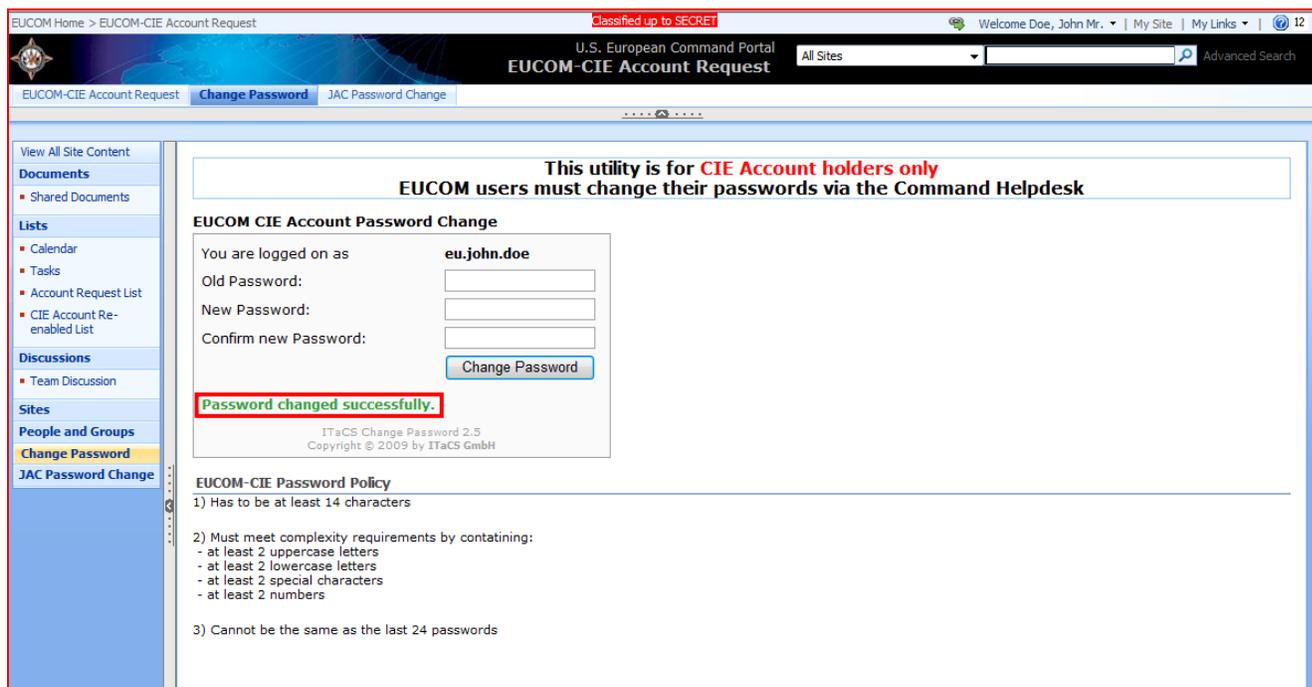

- 1) Login to <https://portal.eucom.smil.mil>
- 2) Click on the drop-down arrow button under the ‘I need to...’ section and select “Change my CIE Portal Account Password”.

- 3) Click on the green arrow button.
- 4) From the ‘Password Reset’ page the SIPR (CIE) Portal user will need to follow the instructions on the screen for a successful reset of their password.

- 5) Once the new password has been entered, the SIPR (CIE) Portal user will be informed that their password was changed successfully.
